\$500 Supports
<ul style="list-style-type: none"> • Improved lighting and sound buffers (several available)

Startup capital for a proposed Outdoor Classroom Structure – restored historic building or unique, sustainable structure made from local materials – to be used as an educational demonstration site and place to accommodate growth in the Education and new Forest Kindergarten Programs to serve as outdoor classroom near the Visitor Center. This is contingent on raising funds that exceed the \$600,000 goal.

Donor Policies

Every gift is deeply appreciated; gifts of all amounts will be recognized on the KVR website. Donors who contribute \$500 or more will be recognized on a creatively designed in-house display.

All naming opportunities are subject to the approval of the Kickapoo Reserve Management Board.

Gifts can be made anonymously in terms of name and/or amount.

Naming opportunities and gift level topics are subject to availability and may change as design details evolve.

You may choose from these suggested wordings:

“Through the generosity of” or “In Memory/Honor of”.
