

**Kickapoo Reserve Summer Adventure Day Camp
Student and Parent Agreement Form**

The Kickapoo Valley Reserve Summer Adventure Day Camps are programs that provide opportunities for students to learn in an environment that is different from the typical school classroom. Our summer programs provide students with many hours in the outdoors in which they learn to apply concepts doing hands-on activities.

To ensure the safety and enjoyment of all, students enrolled in the Kickapoo Valley Reserve Summer Adventure Day Camp program are expected to abide by the same behavioral guidelines that they would in their home school. Disruptive behavior, inappropriate language or gestures, or other discipline problems are grounds for dismissal. Alcohol, drugs, and tobacco products are prohibited. The inability of students to follow these behavioral guidelines will result in expulsion without a refund.

I have read the above statements and understand the behavior guidelines set forth by the Kickapoo Valley Reserve Summer Adventure Day Camp program:
