Campsite Description: Jug Creek Camp is a secluded site on the east side of the KVR property. Vehicle access is good however there are no connecting trails in the area. Jug Creek is not far away and offers excellent fishing opportunities for anglers in Jug Creek just out the “backdoor” of the campsite.

**** All campsites on the Kickapoo Valley Reserve are “primitive” (no facilities).**

Sites are occupied on a first come, first served basis via online booking.

This campsite is located outside of the floodplain.
